CONDOLENCES TO THE AIKMAN FAMILY

- For Immediate Release-

The Belize Chamber of Commerce and Industry (BCCI)'s Executive Council, Secretariat and Western Union wishes to extend our heartfelt condolences to our CEO, Mrs. Kim Aikman, and her family on the sudden loss of her husband, Mr. Derek Aikman, over the weekend. We mourn as a family with her, and our hearts remain with her, Inga, Mischa and Anya as we continue praying for them.

"We know that we cannot make the pain and hurt disappear, but we will remain beside the Aikman family throughout their ordeal. Our hearts are with Kim and her family as we continue praying for each of them during this time of mourning," BCCI's President Nikita Usher stated.

Mr. Aikman, who first became a member of the National Assembly and Minister of Government in 1984, was undoubtedly a towering figure in Belize, whose love for his nation knew no bounds. He has earned his place in our history books and the nation is surely poorer at this untimely loss. "For death is no more than a turning of us over from time to eternity."

Once again, on behalf of the Executive Council, Secretariat and Western Union, the deepest of sympathy to the Aikman family is expressed in this hour of profound grief and immeasurable loss.
