- For Immediate Release-

The Belize Chamber of Commerce & Industry's will hold its 99th Annual General Meeting on the 25th of April 2019 at 5:30 p.m. at the BCCI's McField Conference Centre on Coney Drive, Belize City.

The BCCI is the largest private sector membership organization in Belize. Founded in 1920, and has been consistently championing the causes of the private sector. The BCCI considers among its primary objectives the social and economic development of Belize through the development of all sectors of industry, services and commerce. Additionally, since 1997, the Chamber is the only recognized "Employers Organization" in Belize under the International Labour Organization's (ILO) tripartite social partnership. This year we are proud to celebrate with ILO their 100th anniversary.

The AGM is opened exclusively to members of the Chamber and invited guests. Our Special Guest Speaker this year is Ms. Mary Beth Goodman, an International Development and Anticorruption Policy Expert of the OAS. Goodman has served as the Special Assistant to President Obama and Senior Director for Development, Democracy and Humanitarian Affairs at the White House. During her career, she developed and negotiated economic, trade, extractives, energy, and infrastructure agreements and worked on a broad range of international economic and development issues. Prior to that, Ms. Goodman practiced international trade law and worked as an attorney-advisor for U.S. Customs and Border Protection at the Department of Homeland Security. She has also participated in the negotiations of several free trade agreements and oversaw the implementation of preferential trade programs for Africa and the Caribbean.

The BCCI invites all its members to join us in celebrating its 99th year of unbroken service to Belize's private sector. See you there!
