In subsequent years, she had four children, Santiago, Addy, Lorena and Gilmer. Upon the unfortunate passing of her beloved husband, Santiago Sr, Addy became the Chair Lady of the Santiago Castillo Group of Companies with her team of managers. She was honored to be appointed as the first female President of the Belize Chamber of Commerce which she served from 1986 to 1990. She enjoyed her tenure and collaborated with the Chamber's Board of Directors to strengthen the partnership between the business community and the Government to improve economic development in Belize. Mrs. Addy wishes the Chamber continued success in recruiting new members and businesses to continue its mission of fostering continued prosperity in Belize via a pro-business climate.
