## **PRESS RELEASE**

### **Employers Submission Request**

*Belmopan. April 2, 2020. 3:50 p.m.*

An Economic Oversight Team was established on March 16, 2020 to oversee the establishment and operationalization of an Unemployment Relief Program. This program offers financial assistance to meet the needs of workers who have been terminated or laid off as a consequence of the COVID-19 pandemic.

Multiple verification levels will be applied to the application process to ensure transparency, fairness, and accountability of the Unemployment Relief Program.

In view of this, employers who have laid off employees as a result of COVID-19 are being asked to kindly complete the Excel spreadsheet available on the COVID-19 website <https://covid19.bz/employers-submission-request/> as soon as possible and email the completed form to [employers@covid19.bz](mailto:employers@covid19.bz).
