Dear Madam,

Thank you for your letter of September 28, 2020.

I cannot get Cabinet's approval for holding this year's General Election on a Sunday. This is because of the personal position of several Members; but also because my informal sounding of some Church leaders shows that the Churches would be against it.

I am unable to say whether the election date would be declared a holiday, since that decision has not yet been formally made.

Sincerely,

A handwritten signature in black ink, appearing to read "Dean O. Barrow". The signature is fluid and cursive, with a large loop at the end.
