Dear Mrs. Aikman,

**Re: Labour Seminars/Workshops – 21<sup>st</sup> May, 2019 (Dangriga) and 23<sup>rd</sup> May, 2019 (Corozal)**

The Department of Labour cordially invites you and as many of your colleagues to attend our **Labour Seminars/Workshops** scheduled for 21<sup>st</sup> May, 2019 in Dangriga at the Pelican Beach Resort and 23<sup>rd</sup> May, 2019 in Corozal at the Escuela Secundaria Tecnica Mexico. Both seminars/workshops will be for the mornings starting at 9:00 a.m. to 11:00 a.m.

As it has been for previous seminars/workshops, we will continue to highlight relevant sections of the Labour Act and other related labour laws that are applicable to today's ever-changing business environment and our society, in general. However, this will be in context of our highlighting collaborative initiatives and programmes that are being developed and executed to ensure that the Department of Labour, your organization and all other stakeholders continue to work together to ultimately achieve success for Belize's economic and social advancement.

At both seminars/workshops, we will be honoured for you to be one of our specially invited guest speakers to share any topical developments that are happening in your profession or industry, which are having or may have an impact on the characteristics of our local labour market and good industrial relations.

Most certainly, as it is our duty to hold such forums, it is also our pleasure to do so, as no doubt the participation and contributions from all will be invaluable. And you can be assured that the session will be one that is most interactive, consultative and informative.

We thank you for your kind consideration, as we look forward to receiving your favourable response at the earliest convenience.

Sincerely,
