THE BELIZE CHAMBER OF COMMERCE & INDUSTRY CELEBRATES A SUCCESSFUL LINK UP JOB FAIR 2024

-For Immediate Release-

The Belize Chamber of Commerce and Industry (BCCI) takes this opportunity to thank and congratulate all exhibitors, employers, and successful job seekers for their participation in this year's BCCI "Link Up" Job Fair. This initiative was introduced last year as an avenue for business owners, executives, and other stakeholders to build meaningful relationships with qualified and talented individuals who possess the skills needed to make positive contributions to our country's work force.

While there is a perpetuated notion that job opportunities are minimal and insufficient in Belize, the growth of the Link Up Job Fair is a testament to the opportunities that exist within the business community. We are pleased to report that the fair attracted approximately 1500+ visitors – more than double the foot traffic we had received in our previous year. Our team is also delighted by the positive feedback received from the numerous employers who were able to connect with favorable candidates and expand their workforce through this medium.

As we look towards the further enhancement and expansion of this initiative, we are proud to have provided an atmosphere conducive to network building and career development for our Membership and the general public. The BCCI reiterates our gratitude to all who attended this event and we look forward to many more successful job fairs in the near future.
