

Thea Garcia Ramirez

Thea Garcia Ramirez is a mother of three, a wife, a daughter, a sister, a friend. I am also an advocate, an ally, and activist for human rights. These are the titles that matter most to me. My work includes being the General Manager of the Belize Airports Authority, the President of the National Women's Commission, Commissioner of the People's Constitution Commission, and a member of the Board of Directors of the Social Development Fund. I believe in equality and equity and that meaningful development happens only through the organized engagement and mobilization of communities.
